

## FOUKE WATER SUPPLY CORPORATION CUSTOMER'S SERVICE LINE SURVEY

In compliance with new EPA/TCEQ regulations regarding lead and copper, all public water systems are required to complete a detailed Lead Service Line Inventory. This includes identifying both publicly and privately owned service lines.

This survey is designed to gather important information about the customer-owned portion of the service line- from the building or residence to the water meter. Your response is **CRUCIAL** to ensure the accuracy of the final report submitted to the state. We greatly appreciate you taking the time to complete this survey. If you have any questions, please send an email to [foukewsc@gmail.com](mailto:foukewsc@gmail.com). **ONE SURVEY per account number/meter**

**PLEASE RETURN THE COMPLETED SURVEY NO LATER THAN NOVEMBER 30, 2025** by one of the methods below:

**Mail:** 156 FM 1254, MINEOLA, TX 75773, **email:** [foukewsc@gmail.com](mailto:foukewsc@gmail.com), **in person:** 156 FM 1254, Mineola or you can complete the survey **online** at [www.foukewatersupply.com](http://www.foukewatersupply.com). Click on News & Notices tab, then Lead Service Line Survey and follow the link.
